Stakeholder review evidence

Review of the web (ASP.NET MVC) and mobile (Flutter) interface prototypes, 5 to 12 October 2026
Prepared by Nido Maphosa, Group O · 13 October 2026

Summary

- The web prototype went to the three stakeholders on **5 October** and the mobile prototype on **8 October 2026**, each with a link to the interactive Figma prototype.
- On **12 October**, Ms Mbele advised that the team can proceed for this phase. Ms Dikane acknowledged the web prototype on 5 October and will follow the reviews of Ms Mbele and Mr Dintwe.
- No change requests appear in the correspondence. Still open: written feedback from Mr Dintwe on the web prototype, and from all three stakeholders on the mobile prototype.

Good day,

We have completed the prototype for the web application and would like to share it with you for review.

Please use the link below to view the prototype and let us know if there are any changes, additions, or adjustments you would like us to make.

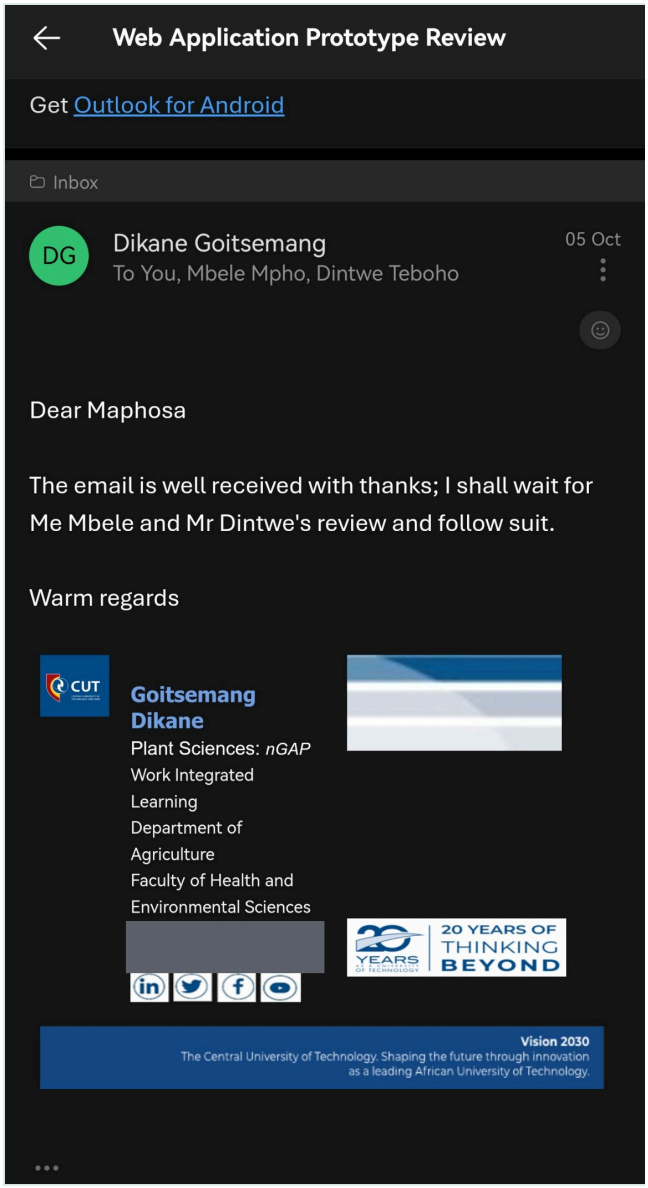

https://www.figma.com/proto/KmYxvZZnlxJXbAuP3n39Hb/Web-Application?node-id=114-875&p=f&viewport=1067%2C46%2C0.47&t=DKfFo55Ux5OjYWjw-1&scaling=scale-down&content-scaling=fixed&starting-point-node-id=114%3A875&page-id=6%3A15

Your feedback will help us ensure that the prototype aligns with the requirements before we proceed further.

Thank you for your time and feedback.

Kind regards,
Nido Maphosa
